Education

University of Illinois Urbana-Champaign **Expected Graduation: May 2028**
B.S. in Computer Science + Economics, Minors in Statistics & Advertising *Champaign, IL*

Professional Experience

Product Builder Intern **May 2026 – August 2026**
Ingenio Care, Inc. *Lombard, IL*
- Defined use cases and **product requirements** for an AI care companion, translating patient feedback into features
- Drove **Ingenio Care's App Store launch** by leading web-to-mobile UI/UX redesign across **8 feature areas**
- Built a patient and provider outreach pipeline spanning **750+ contacts** across **8 healthcare networks**

Product Strategy Consultant **August 2026 – Present**
Replit *Champaign, IL*
- Conceived an **AI learnathon** to help beginners build AI fluency by creating a working project with Replit Agent
- Translate campus problems into **product development briefs** and design assessments to measure gains in AI fluency
- Build a **web showcase platform** for learnathon participants to share their apps and demonstrate practical AI skills

Strategy Consultant **August 2026 – Present**
Confidential Media Production Firm (NDA) *Champaign, IL*
- Map production workflows for a firm with **$300K in annual revenue** to establish time and cost baselines
- Interview the founder and contract crew to identify workflow handoff gaps, quality standards, and responsibilities
- Evaluate **AI and media management tools** to standardize post-production and reduce dependence on the founder

Strategy Consultant **January 2026 – May 2026**
Confidential Berkshire Hathaway-Affiliated Manufacturer (NDA) *Champaign, IL*
- Identified **12 potential expansion opportunities** by analyzing **500+ fastener applications** across 10 industries
- Built a **200+ row Excel model** to compare product-market opportunities across existing and emerging end markets
- Presented market expansion findings and recommendations to senior stakeholders to inform the client's 2026 roadmap

Leadership & Involvement

Product Management Fellow **August 2026 – Present**
Product Space *Champaign, IL*
- Analyze product cases to practice identifying user needs, evaluating solutions, and defining **product priorities**
- Explore a **student apartment chore-tracking concept** as a potential product to build during the fellowship

Senior Strategy Analyst **January 2026 – Present**
Disruption Lab at Gies *Champaign, IL*
- Help prioritize research for a **9-person consulting team**, aligning project work with client goals and expectations
- Support junior analysts with research questions and project challenges to keep client deliverables moving forward

Experienced Senior Consultant **January 2026 – Present**
Illinois Business Consulting *Champaign, IL*
- Help set project priorities for an **8-person consulting team**, aligning work with client goals and expectations
- Guide junior consultants through research and analysis, helping resolve questions and develop client recommendations

Personal Projects

Cambio | Live Demo | *Next.js, React, TypeScript, Tailwind CSS, Supabase, Vercel*
- Built a **four-player real-time card game** with guest access, guided onboarding, and three bot difficulty levels
- Added **accounts, friend invites, and leaderboards** so players can track progress and compete with friends
- Validated bot difficulty across **6,800 seeded rounds**; hard bots earned **63.3% win share** against medium
